

M5 J1-2 Oldbury Viaduct works

e-bulletin – 02 February 2018

This bulletin details next weeks' road closures for the M5 Oldbury Viaduct Major Renewal Scheme between junctions 1- 2 on the M5 southbound carriageway.

Find us on Facebook, search for 'Oldbury Viaduct'

This is one of the 3500 repairs, in addition to the 175 joint repairs, we are doing to the southbound carriageway. The picture shows the new concrete being heated whilst it sets (cures) overnight. For more detail on this, see the post on our Facebook page.

Scheme timelines

We are currently on target to complete the major repair works and see the removal of the contraflow system by autumn 2018. Central barrier works will continue into spring 2019.

Road closures

Those highlighted yellow are contingency at this stage

The following closures on the A457 Birmingham Road, Oldbury are also required to carry out viaduct deck repairs. Diversion routes are attached, safe access to residents and businesses will be maintained, however certain footpaths will be closed.
