

It is likely that Tenbury Transport Trust (TTT), the local community transport charity, will be the recipient of Section 106 funding as a result of the arrival of a new Tesco store in Tenbury subject to the completion of a business plan in accordance with the original contract between the land owners, local authorities and Tesco.

An integral part of the plan will be to make contact with all villages and their related organisations in the Tenbury & Teme Valley catchment area, in order to establish the need for improved community transport into Tenbury, whether by mini-bus or car.

Caroline Palethorpe, of CMP Consult, a local specialist consultant for the community and voluntary sector who has worked with TTT for a number of years has been contracted to collect this information on behalf of the Trust. Caroline has already made contact with a number of Parish Council Clerks within a defined geographic area ensuring that any potential conflict with other community transport organisations is minimised, complimentary not competition is to be promoted.

Caroline has designed a simple questionnaire that residents are encouraged to complete. The questionnaire will be available on the Parish Council website, in the community newsletter and from your local Parish Council Clerk. Caroline will then collect completed forms from the Parish Council Clerk by the middle of May.

If you would like to see what Tenbury Transport Trust can offer, please visit <http://www.tttrust.org.uk/>

Kind regards,

John Driver

Chair of Trust
